2018 Annual Conference and Exhibits

CASA's 2018 Annual Conference is a MUST attend meeting for all of those in the California ASC market, as we will address the most current topics affecting California ASCs.

Join us in Huntington Beach, CA, September 5-7, 2018, as we discuss Finance, Human Resources, Clinical and Quality oversight geared toward ambulatory surgery centers.

We are currently finalizing our program, and will post this soon. Check back in a few weeks to check out the 2018 CASA Conference program.
