## **CAPH/SNI ANNUAL CONFERENCE 2018**

For more than 30 years, the CAPH/SNI Annual Conference has been a place for public health care system leadership, state and local officials and their staffs, and representatives from advocacy organizations and foundations to gather, connect, learn, and be inspired. The CAPH/SNI Annual Conference celebrates and informs the work being done by California's public health care systems to fulfil their essential safety net mission and mandate – to provide the right care in the right place at the right time to everyone, regardless of insurance status, ability to pay, or other circumstance, while competing in the health care marketplace. The conference features guest speakers who are recognized figures from the worlds of health care practice, policy, and politics, and is regularly attended by more than 200 leaders.
