Nexus 2018 explores how to evolve Nearshore relationships in order to meet the demand for ‘greater intelligence’ in all facets of service innovation and delivery. With a proven track record seven years running, Nexus provides business leaders with exclusive market insights, important new connections, and a real-world framework.

Nexus 2018 will devote special attention on the thriving Guadalajara market, considered to be the premiere outsourcing destination in the Nearshore. We will examine the rich capabilities, workforce scalability, collaborative road-mapping and ecosystem leadership that have combined to yield extraordinary results in the heart of Jalisco state.
