Personnel Institute

At ACSA's Personnel Institute, the workshops, seminars and presentations will empower HR staff—whether veterans or newcomers to the world of HR—to discover new ideas, stay up-to-date on the latest research and legal issues, and learn new concepts and ideas for future implementation in the HR office or the district.

This three-day event with its mix of interactive and workshop sessions presented by practitioners, consultants and attorneys will offer information and provide insight into the issues and laws that confront HR departments.
