Subaru Kids Obstacle Challenge is an adventure and obstacle course race for kids ages 4-14, with 15+ fun and challenging obstacles and mud. Our mission is to inspire and challenge kids, and forge family bonds, through obstacles and adventure. We are the largest touring adventure and obstacle course race series for kids in the nation! And the best part is, it's a FAMILY adventure - parents get to run with their kids for free! Subaru Kids Obstacle Challenge will be charging into the Bay Area on September 12-13th, 2020 at Coyote Point Recreation Area. Don't miss this annual event!
